

IDEAS

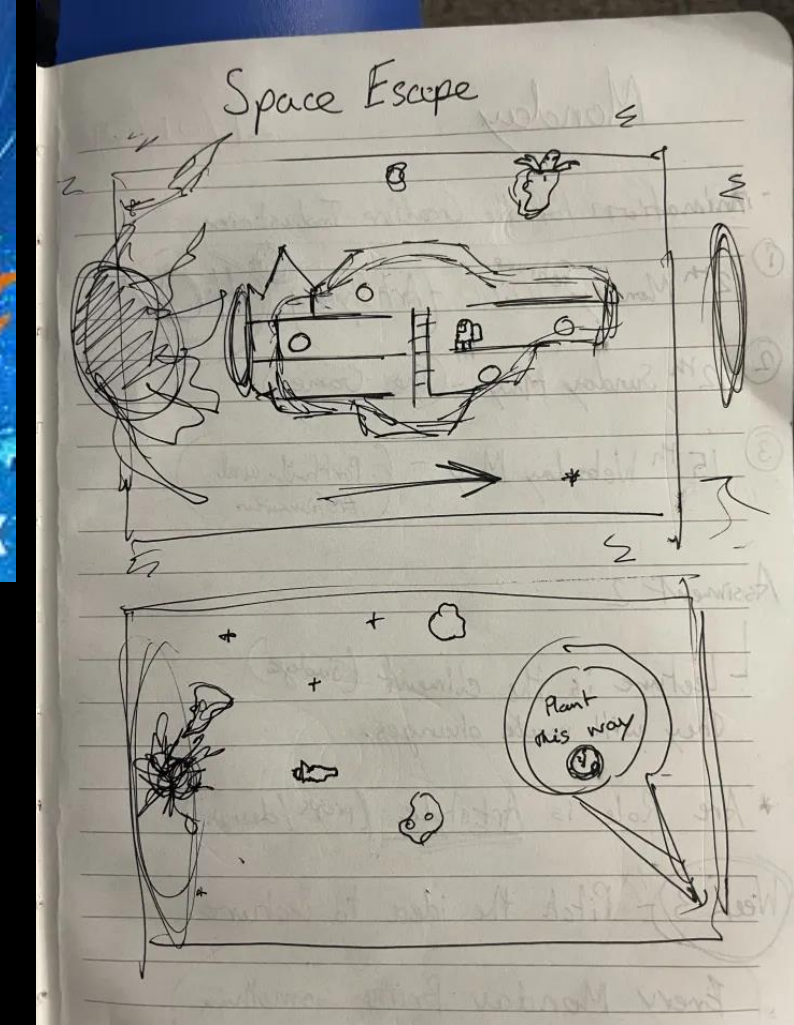

RODEO

A Bull riding game with quick time events and button clicking.

The quick time events get progressively harder as time goes on. The bull changes as time goes on turning from a Calf to a Bull and finally a Minitour.

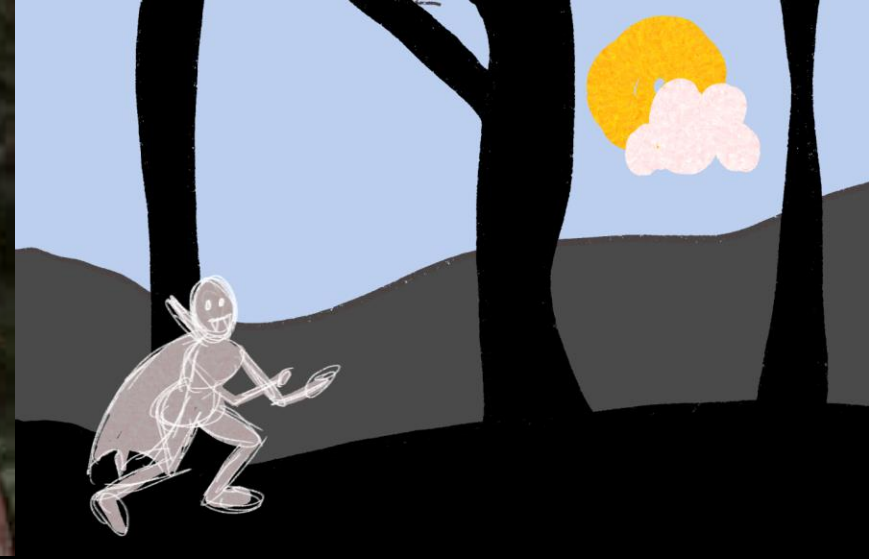

The player must press different keys as the game goes on getting faster.

SPACE ESCAPE

Spaceship black whole escape trying to reach a planet. The game has a side view.

Ship time puzzle survivor game trying to fulfill tasks before the ship shuts down and falls into the black whole

VAMP SUN RUN

You are playing as a vampire waking in their coffin trying to get your daily dose of blood.

As you sculk about his castle, village, or forest to find people to drink from.

The vampire is trying to avoid peoples view and sunlight. It has a 2D background and a 3D
