Profile

I am currently studying animation at Ulster University. I am a passionate individual and an adaptable artist. I am always eager to try new things, and learn new skills.

My primary interests include 2D Animation and Concept art. However, I also have experience with 3D Modelling and texturing that I am eager to experiment more on.

I enjoy communicating and collaborating with others on a project, but I also like to explore challenges and make creative solutions within my individual projects.

Experience

Sales Assistant - School Days LTD 2019- 2021

Communicating with customers and delivering their orders

Operating the till and taking orders

Organising deliveries and folding clothes neatly
