

# IL DUE Tower's Pizza

---

Let Il Due Tower's *Pizza* bring the Italian cuisine to you.

Originally from Bologna we first started out below one of the 2 leaning towers of Bologna. We know our way around Pizza's and Italian food in general and we are proud to know how to make them traditionally just like how our grandparents did. Our Pizza's are made the Italian way, the true and proper way and all our ingredients come from farms across Italy to give it that extra authentic feel.

Come on down to one of our restaurants in Belfast, L/Derry and Coleraine or if you're feeling cosy at home you can order off our app!
