**About Me** I am currently in my 2nd year of Interaction design at Ulster University Belfast. I'm ready to seek job placement to further improve my skills. I have a keen interest in ICT and Web Design. I am eager to learn new skills and gain Valuable work experience in real world. I am a determined worker and, eager to learn new skills. I am a committed individual who understands the importance of good communication, listening and teamwork.

**Work  
Experience**

**Agency Worker | O'Reilly's Sweet Company (Full Time)**  
*Delivery Assistant*  
*Summer 2019 & 2021*

Assisting the Driver to deliver items such as sweets, drinks, etc to shops, cafes, restaurants & businesses across the whole of Ireland. Occasionally I worked in the warehouse collecting items for following day orders.

**Work Placement | Hawthorn Health**  
*January 2020- May 2020*

I had to collect information, which was added to a website, email customers answering their queries regarding products, orders, and delivery. I designed labels for sweet products. I also I designed a web banner for their new website.

**Bar Man | Saval GAA Club**  
*June 2018- Present (Part Time Work)*

Serving customers beverages, counting money, cleaning glasses, and keeping the bar tidy.

**Café Volunteer | Tin House Newry**  
*June 2017 September 2018 (Part Time)*

Voluntary Work as a café assistant taking orders, serving customers, making coffees, clearing, and cleaning tables and operating the dishwasher.

Best Work Experience' 2015 Award for my experience in the post office.

**Volunteer**

**Volunteer | Youth Centre Newry**

*September 2018- March 2020*

I worked with various youth group such as Tbuc & Inclusion in the city. These programs are run by the EA and provide young people an opportunity to meet with others as well as participating in activities. These programs are driven by the interest of the group and therefore communication and listening to the young people is important.

**Education**

**Ulster University Belfast**

*09-2020 to Present*

Bachelors Hons degree in Interaction Design

**Southern Regional College Newry**

*Foundation Degree in Interactive Multimedia*

Achieved an Overall Distinction
