

Mrs McCann

Age: 45

Occupation: Teacher

Location: Northern Ireland

Education: Primary School

Status: Female

Bio

She is a local primary school teacher. She teaches a P2 Class. She teaches the world around us through topic work. Her topic after Easter is space and she would like the children to find out about Neil Armstrong going to the moon. She reads the story called "Whatever Next by Jill Murphy" about a bear who pretended to go to the moon in a spaceship made out of cardboard box. The class visit Armagh Planetarium in term 3.

Interests

Mrs McCann asked the children what they were interested in finding out. They wanted to find out:

- How he got to moon?
- Why was he famous
- How did he become an astronaut
- Where did he live
- What age was he?
- Why did he want to go to moon?
- Did he see any aliens?
- When did he go to moon?
- When was he born?
- Did he have a pet?
